外国人留学生募集要項

Guidelines for Admission of the Foreign Students
to the Master's Program

名古屋大学大学院生命農学研究科

Graduate School of Bioagricultural Sciences

Nagoya University

本研究科ではインターネット出願を導入しており、出願書類の提出の前にオンラインでの出願登録が必要になります。出願に必要なパソコンやプリンター等の機器、メールアドレス、顔写真データ、検定料の支払い方法、書類の提出方法等を十分確認のうえ、時間には余裕を持って出願を行ってください。なお、インターネット出願時に登録されたメールアドレスには、大学から入学試験に関する重要なお知らせが配信されますので、変更や削除の可能性がなく、日常的に確認できるメールアドレスを準備してください。

The Graduate School of Bioagricultural Sciences is accepting online applications. The applicants require online application registration before submitting application documents. Please make sure you have sufficient time to check the necessary equipment (e.g. computer, printer, etc.), e-mail address, photo data, payment method for the examination fee and how to submit the documents before submitting your application.

Important information about the examination and other related issues may be sent by the University to your registered e-mail address. Therefore, please use an e-mail address that you check on a regular basis and has little chance to be changed or deleted.

8. How to Pay Entrance Examination Fee

(1) Entrance Examination Fee: 30,000 JPY

*In addition to the application fee, a service charge (about 500 JPY) will be required.

(2) Payment Period (Japan Standard Time)

October 11, 2024 – November 6, 2024

(3) Payment Method

Please pay the entrance examination fee through one of the following methods.

See “**5. Online Application Flow**” for details.

- Credit card
- Internet banking
- Convenience Store
- ATM with Pay-easy

(4) Refunding of Entrance Examination Fee

We will not refund the paid entrance examination fee once the application documents have been received. However, we will refund the paid entrance examination fee if any of the following circumstances apply. Please note that any transfer fees required for the refund process will be deducted from the refunded amount.

- a) The entrance examination fee has been paid, but no application was made or the application was not accepted
- b) The entrance examination fee has been paid twice.

***Entrance examination fee refunds will be done through bank transfer. If the refund is sent to an overseas bank account, the refunded amount will be greatly reduced, and it will take many days to complete the refund process, so please be careful when paying the entrance examination fee.**

For information on how to request a refund, please check the Nagoya University website (<https://www.nagoya-u.ac.jp/>) - Admissions - Graduate School Entrance Examination/Undergraduate Transfer Examination etc. - Regarding Entrance Examination Fees (in Japanese).

9. Examinations

(1) Written examinations

Type	Date	Time
Subjects in Major	January 7, 2025	10:00-13:00

(2) Subjects & Selection of Written Examinations

Subjects in Major

NOTE: See the attached “Examination Subjects and Instructions for Subject Choice”.

Notice for subject choice. You cannot change subjects that you have described in the application form.

(3) Submission of score sheets for foreign language (English) examination

TOEFL, TOEIC or IELTS scores will be used as the means of assessment for the foreign language (English) examination.

1. Examination Method

Submit one TOEFL or TOEIC or IELTS score sheet. There will be no written examination. The score from either TOEFL or TOEIC or IELTS will be calculated using the following method, and will be adopted as your foreign language (English) score.

■ For TOEFL iBT

English score = $50 + (\text{TOEFL iBT score} - 50) \times 5/3$ (converted scores of 100 points or higher will all be treated as 100 points)

■ For TOEFL iBT Home Edition

English score = $50 + (\text{TOEFL iBT Home Edition score} - 50) \times 5/3$ (converted scores of 100 points or higher will all be treated as 100 points)

■ For TOEFL ITP

English score = $\text{TOEFL ITP score} \times 0.34 - 108$ (converted scores of 100 points or higher will all be treated as 100 points)

■ For TOEIC

English score = $\text{TOEIC score} / 10$ (converted scores of 80 points or higher will all be treated as 80 points)

■ For TOEIC-IP

English score = $\text{TOEIC-IP score} / 10$ (converted scores of 80 points or higher will all be treated as 80 points)

*TOEIC-IP Online is not available.

■ For IELTS(Academic Module)

English Score = 100 for IELTS Overall Band Score of 6.0 or higher, 82 for 5.5, 68 for 5.0

* Any converted score of less than 60 points will count as a failing score. In this case, please be aware that the application fee is still non-refundable.

2. Eligible scores

Scores from the following can be submitted: TOEFL-iBT, TOEFL iBT Home Edition, TOEFL-ITP, TOEIC (limited to Listening & Reading Test), TOEIC-IP (limited to Listening & Reading test) or IELTS(Academic Module). International applicants who have TOEFL-PBT scores should consult the Student Affairs Section before submitting documents.

3. Submission of score sheet

Score sheets must be submitted during the application period. **(Submissions after the application period will not be accepted. Note that score sheets may not be changed after submission, without exception.)**

■ If you submit a score sheet from TOEFL iBT or TOEFL iBT Home Edition.

Please submit both (1) and (2) below.

If either (1) or (2) is not received by the application period, the score sheet will be deemed not to have been submitted.

(1) Official Score: "Institutional Score Report" or "Official Score Report"

(2) A copy of the "Test Taker (Examinee) Score Report" that is sent to the examinee.

Please note the following points when submitting the score sheets.

1) For the "Institutional Score Report" or the "Official Score Report", please be sure to complete the designated procedures so that the reports can be sent from the ETS to Nagoya University

within the application period (When making the procedures, please designate the appropriate Nagoya University's Institution Code "0312" and the Department Code. If there is no appropriate Department Code, designate "99".) Note that after the TOEFL examination, it takes about 6 to 8 weeks for the "Institutional Score Report" or "Official Score Report" to reach the designated recipient. There may be delays in arrival, so please take the TOEFL examination well ahead of time.

2) If you submit the "Institutional Score Report", use only the "Test Date Scores". (You may not use My Best Score.)

3) Please submit a copy of the "Test Taker (Examinee) Score Report" with the application documents.

■ If you submit a score sheet from TOEFL ITP

Please submit an original of the "Test Taker's Copy of Score Report (light purple card)" with the application documents.

■ If you submit a score sheet from TOEIC

Please submit an original of the "Official Score Certificate" with the application documents.

If using a digital official certificate, submit a printout of the PDF.

■ If you submit a score sheet from TOEIC-IP

Please submit an original of the "Score Report" with the application documents.

*TOEIC-IP Online scores are not available.

■ If you submit a score sheet from IELTS (Academic Module)

Please submit an original of the "Test Report Form" with the application documents.

4. Period of validity of score sheets

Tests from 2 years before the entrance examination (i.e. January 7, 2023, or later) to those for which results can be submitted by the application deadline are valid.

Please note that TOEIC "Official Score Certificate" will not be returned.

(4) Place of Examination

Graduate School of Bioagricultural Sciences, Nagoya University (School of Agricultural Sciences)
500m eastward from the city bus stop "Nagoya-daigaku" or the subway station "Nagoya-daigaku"
southward from the subway station "Higashiyama-koen"

(5) Announcement of written examination results

Time/Date: around 6:00 p.m. (JST), January 7

Place: Graduate School of Bioagricultural Science website: <https://www.agr.nagoya-u.ac.jp/>

NOTE: Applicants passing this examination must take the oral examination next.

(6) Oral examination

Time/Date: 9:00 a.m. (JST), January 8

Applicants must take the oral examination given by the department/laboratory of their first preference.

If it is judged that an applicant needs to take an additional oral examination given by the department/laboratory of his/her second preference, the second examination will start at 15:00 on the same day. The list of applicants who must take the additional examination will be posted on Graduate School of Bioagricultural Science website: <https://www.agr.nagoya-u.ac.jp/> around 14:00.

10. Announcement of final examination results

- (1) Time/Date: around 10:00 a.m. (JST), January 10, 2025
- (2) Place: Graduate School of Bioagricultural Science website: <https://www.agr.nagoya-u.ac.jp/>
NOTE: Successful applicants will also be notified by mail.

11. Enrollment Procedures

- (1) Detailed enrollment procedures will be notified by mail early in March 2025.
- (2) Registration fee: 282,000 JPY (expected)
- (3) Tuition: 267,900 JPY per semester (535,800 JPY per year) (expected)
NOTE: In case of any revision in tuition, the new rate will be made effective on and after the date of revision.
- (4) Registration date: The matriculation date is scheduled to be on March 12, 2025.

12. Notes

- (1) Applicants cannot make any changes or ask for a refund after submitting the application form.
- (2) Further notifications for the examination will be given on the notice board on the date of examination.
Examinees must be seated in the examination room 20 minutes before the examination starts.
- (3) The results of the entrance examination are to be disclosed to those who have failed this entrance examination. Requests should be made within 2 weeks to 2 months after the examination. For more information, please send an e-mail to (kyomu@agr.nagoya-u.ac.jp).
- (4) For applicants with disabilities or other special needs
Applicants with disabilities or other special needs that require reasonable accommodations and adjustments for taking the entrance examinations due to their disabilities or other special needs should submit the following documents to the Student Affairs Section, Graduate School of Bioagricultural Sciences, Nagoya University by September 20, 2024.
 - 1) Application form for reasonable accommodations or adjustments: On A4 size paper in the format of your choice, please provide information regarding the condition of your disabilities or other special needs, which specific accommodations and adjustments are required for you to take the entrance exam and why they are necessary.
 - 2) Medical certificate, any certificates of your disability (e.g., “Shogaisya-techo” in Japan), etc.: Applicants must submit Medical Certificates or other alternative documentation that provides detailed information regarding the limitation on a major life activities caused by the disabilities or other special needs, and provides sufficient justification for the requested accommodations or adjustments. (Copies acceptable)
 - 3) Third Party Statements: Applicants must obtain and submit statements from third parties that are familiar with the applicant's disabilities or special needs and can attest to the resulting limitation on a major life activities and required accommodations. (Observations and opinions from medical professionals, relevant faculty from the applicant's school, and other specialists)
 - 4) Other Documents: Applicants may, if desired, submit additional documentation providing additional information regarding their disabilities or other special needs and the recommended accommodations or adjustments.

For inquiries regarding reasonable accommodations or adjustments for taking the entrance examination or while attending Nagoya University, please feel free to contact the Student Affairs Section, Graduate School of Bioagricultural Sciences, Nagoya University by the application deadline.

13. Others

For more information on the examinations, ask: *Please be sure to email us.

Student Affairs Section, Graduate School of Bioagricultural Sciences, Nagoya University

Furo-cho, Chikusa-ku, Nagoya 464-8601

【卓越大学院プログラムについて】

卓越大学院プログラムは、文部科学省が 2018 年に導入した 5 年一貫の博士課程プログラムです。大学院生が研究と多様な能力の開発に打ち込めるようにするため、特別な経済的支援が用意され、さらに、TA や RA を通して指導能力を学び、追加の収入が得られるような仕組みが用意されています。生命農学研究科では、以下のプログラムに参画しています。

トランスフォーマティブ化学生命融合研究大学院プログラム (GTR)

応用生命科学専攻、植物生産科学専攻、森林・環境資源科学専攻、動物科学専攻は2018年度より本プログラムに参画しています。

詳細は以下のHPをご覧ください。

<http://www.itbm.nagoya-u.ac.jp/gtr/>

情報・生命医科学コンボリューション on グローカルアライアンス卓越大学院 (CIBoG)

応用生命科学専攻は2019年度より本プログラムに参画しています。

詳細は以下のHPをご覧ください。

<https://cibog.med.nagoya-u.ac.jp>

The WISE Program (Doctoral Program for World-leading Innovative & Smart Education) is an integrated five-year program introduced by the Ministry of Education, Culture, Sports, Science and Technology in 2018. Special financial support has been put in place to support graduate students as they go about their research activities and develop a diverse range of skills. Systems have also been developed to help students acquire teaching skills and obtain additional income through the TA and RA programs. Graduate School of Bioagricultural Sciences has been involved in the following programs.

Graduate Program of Transformative Chem-Bio Research (GTR)

Department of Forest and Environmental Resources Sciences, Plant Production Sciences, Animal Sciences, and Applied Biosciences have been involved in this program since 2018.

For more details, please see the following website:

<http://www.itbm.nagoya-u.ac.jp/gtr/en/>

Convolution of Informatics and Biomedical Sciences on Glocal Alliances, CIBoG

Department of Applied Biosciences has been involved in this program since 2019.

For more details, please see the following website:

<https://cibog.med.nagoya-u.ac.jp/en>
