

Courtesy visit by Dr. Gregorio, Director of SEARCA (Feb 12, 2020)

The Southeast Asian Regional Center for Graduate Study and Research in Agriculture (SEARCA, located at Los Baños, the Philippines) was established by the Southeast Asian Ministers of Education Organization (SEAMEO) in 1966. Dr. Gregorio, Director of SEARCA, and Dr. Ancog, consultant at SEARCA's Project Development and Technical Services, visited Nagoya University (NU) accompanied by Dr. Cedicol, Designated Professor of Asian Satellite Campus (ASC)-Philippines. They made courtesy calls on President Matsuo of Nagoya University, Director Isoda of ASC Institute and Dean Tsuchikawa of Graduate School of Bioagricultural Sciences (GSBS). They exchanged views and ideas on further promotion of international cooperation of education and research between NU and the Southeast Asian countries. The delegates also talked with international students from the Philippines and deepen understanding on the students' circumstances of studies, research, etc. in GSBS.
