2 Searching Journals

< How to Search >

1. Enter the journal title into the search box.

* "Article title" "Article authors" **cannot** be searched by OPAC. Please make sure you search "Journal title".

* It is also impossible to find by the journal's "year of publication" search.

OPAC's "year of publication" data adopt the date of the first issue.

2. Press Enter key or click on the **[Search]** icon.

< Search Hint >

- **[Prefix Search]** To search for all terms that begin with a sequence of letters, enter the letters followed by a wildcard character "*". e.g.) "bio*" → biology, biochemical, biochemistry etc.
